

ESTABLISHED IN 1986

WHAT WE DO. Thanks to the generosity of the local community The Scholarship Fund of Alexandria, a 501 (c)(3) non-profit, has awarded nearly 20 million dollars in scholarships and sent more than 5,700 Alexandria students with financial need to college over the last 38 years. Equally important, students receive college and financial aid advising to get them ON the postsecondary path and support them through all four years of college. From FAFSA to college lists, applications, and funding, we answer all the most important questions.

WHO WE SERVE. ACPS students, Grades 9 to 12. Over half of the students in Alexandria City High School live at or below the federal poverty level. From year to year, more than half of the award recipients are the first in their family to attend college. While SFA scholarships mostly support students of color each year, racial equity demands all of us to do better. Let's continue working to create even more scholarships and college opportunities for Black and Brown students. Every hard-working student deserves the chance to pursue their post-secondary education. With your help we can get there.

HOW IT GETS DONE. Through your energy during the numerous annual fundraisers (alumni/fall fundraisers, the annual spring Gala and Auction, and other special events), ongoing individual donations and corporate sponsors, money raised goes directly to the scholarships awarded annually. Thanks to the Alexandria community, 2024 saw 213 SFA award recipients attending 66 different institutions. More kids are getting ready to go! Will you help?
